

my divine lychee martini

Recipe by Kevin Kimura

Level: Easy

Serves 1 (6oz cocktail)

ingredients

3oz vodka (such as Grey Goose)

1oz lychee liqueur (such as Soho Lychee)

2oz lychee puree (recipe below)

2 lychees from can for garnish

lychee purée

6 lychees from can

2oz lychee syrup from can

directions

Step 1: Make lychee purée

Using either a blender or an immersion blender, blend the lychee with the lychee syrup until smooth.

I put lychee purée in a squeeze bottle for easy dispensing. Puree can be stored in refrigerator for 5-7 days.

Step 2: Make cocktail

Fill a cocktail shaker with vodka, lychee liqueur, lychee purée and ice. Shake for 8-10 seconds and pour into a chilled (optional) martini glass. Garnish with 2 lychees on a cocktail pick.

Serve and enjoy!
